

VERB TENSE STUDY

LANGUAGE OBJECTIVE:

We will produce complete sentences in
the _____ verb tense
in three forms:
declarative, negative and interrogative.

LANGUAGE

WARM-UP

LANGUAGE OBJECTIVE:

We will hear, produce and tell the difference between the sounds of English.

VERTICAL SENTENCE

LANGUAGE OBJECTIVE:

We will generate synonyms, select words that have similar connotation to the author's purpose and rank the words from _____ to _____.

MORPH HOUSE

LANGUAGE OBJECTIVE:

We will generate words with the same base word, use each new word in a complete sentence, and identify the part of speech of each new word by its affix, position in the sentence and function.

THIS OR THAT

LANGUAGE OBJECTIVE:

We will make a choice and give two supporting reasons for our decision.

FUNCTION JUNCTION

LANGUAGE OBJECTIVE:

Given a scenario, we will produce
questions or statements that:

(asks for permission, asks for help, asks for information/clarification, forms an apology, makes a request, etc.)

SYNTAX

SURGERY

LANGUAGE OBJECTIVE:

We will assemble a mixed-up sentence using our knowledge of the eight parts of speech and English syntax rules.

FOUR-PICTURE STORY FRAMES

LANGUAGE OBJECTIVE:

We will write four sentences in the
_____ tense to create a
paragraph that _____, using:
_____, _____ and
_____.

TEXT- CAVATION

LANGUAGE OBJECTIVE:

We will identify the basic components of sentence and analyze the author's use of language to generate grade-appropriate inferences.
